To Our Valued Family, Friends, and Associates,

*“Uniti restiamo in piedi, divisi cadiamo a terra. L'unione fa la forza.”*

*“United we stand, divided we fall. Union is strength”*

While we do not know the extent of this COVID-19 situation, we felt it was appropriate to reach out and let you know that **we are here for you.** Whether in a business or consultation capacity, we are here for you. De Massimo's has always been a committed partner and we stand firmly behind that today.

De Massimo's and our staff continue to follow all government protocols for employees/manufacturing and can provide documentation upon request. We are also excited to report that we have stayed ahead of demand and are currently stocked on all items in our portfolio.

We thank you for your continued partnership and pray that you and your family stay safe during these turbulent times.

Sincerely,

Michael F. De Massimo
